Donations

Donations are gratefully accepted to help the association meet its objectives. We have a backlog of projects that we would like to launch in order to expand the quality and coverage of support for those affected by Fragile X Syndrome. Projects such as mobilising the Specialist clinic to regional areas throughout Australia is just one project that requires the support of donations.

Currently, the Association is funded by membership subscriptions and donations. It has been granted authorisation to fundraise by the NSW state government- CFN 10563, the Queensland state government – CH1758, the Western Australian state government – 21029, the Victorian state government – 10076, the ACT government – 19000416, the South Australian state government – CCP1380 and the Tasmanian state government. In 2002 we were granted benevolent status making all donations over $2.00 tax deductible.
