

Fragile X Alliance Inc.

# Free One Day Seminar 12th March 2010

The Fragile X  
Association of  
Australia

Opened by the Minister for Human Services,  
Lin Thorp, MLC.

## Fragile X Syndrome

**Fragile X is the most common cause of inherited intellectual disability but is hardly known.**

Fragile X Association of Australia have arranged for the Fragile X Alliance Clinic to present an overview of Fragile X Syndrome for Health Professionals, Educators and Families. Update yourself on the latest about this important cause of developmental disabilities, ADHD and ASD. All speakers are recognised experts in their field and will cover a wide range of management strategies relevant to developmental disabilities and autism spectrum disorders.

**Medical**  
Dr Jonathan Cohen

**Occupational Therapy**  
Debbie Isaac

**Psychology**  
Astra King

**Optometry**  
Rashelle Cohen

**Speech Therapy**  
Felicia Schmaman

Topics covered will include an overview of Fragile X Syndrome, speech and language interventions, medications, behavioural issues, adult issues and genetic counseling.

**Date:** Friday 12th March  
**Time:** 9.00 am to 3.30pm (Registration: 8.30 am)  
**Venue:** Hobart Function and Conference Centre  
Marina Room, 1 Elizabeth Street Pier, Hobart TAS 7000
